Training provider for the Vocational and Life Skills training at LLs

Name of Local Level:

Number of Trades: 2

Name of the Trades:

- 1. Road repair and maintenance,**
- 2. Masonry brick and stone masonry**

I. Background

Prime Ministers Employment program (PMEP) is Government of Nepal flagship program which envision guaranteeing minimum employment of 100 days of work to the registered unemployed in labor-intensive public work programs (PWPs) or provide a subsistence wage in the absence of work, to eligible households. Youth Employment Transformation Initiative (YETI) project supports PMEP to improve the employment support services and labor market outcomes of the youth.

The YETI project will aim to address gaps in the labor supply-side interventions and complement ongoing in iterative on the labor demand side. On the supply side, the project will aim to address the lack of a systematic approach to the provision and management of employment promotion services and systems to support job seekers. On the demand side, the project will aim to generate short-term temporary employment opportunities for the most vulnerable, which can improve their short-and medium-term productivity. The focus on youth will address risks of fragility and conflict.

The project Development Objective (PDO) is to improve employment services and labor market outcomes, especially for youth improved labor market outcomes for youth refer to increased earnings\improved livelihoods for the individual beneficiaries the project.

YETI aims to supplement temporary employment through cash for work with up to 40 days of on-the-job training and up to 10 days of life-skills training in an effort to introduce elements of productive inclusion in PMEP. The training is expected to increase skills and employability of the beneficiaries, to help them to become less vulnerable to shocks and reduce their reliance on public works.

The skills training is intended to help temporary employment beneficiaries acquire skills that are relevant to the work they are doing. The target group is largely unskilled beneficiaries, to PMEP. The sessions will be delivered at the local level, by locally procured firm(s). Trainees will continue to receive wages from the PMEP during the duration of training.

Various agencies across the government, project and programs have been delivering skills training in Nepal for a long time. In the government two agencies, Council for Technical Education and Vocational training (CTEVT) under Ministry of Education, Science and Technology and Vocational and Skill Development Training Center under Ministry of Labor, Employment and Social Security, have curriculums for training provision. Typically, short-term skills training modules are three months long (390) hours and combine theoretical and practical aspects. For
